

# CONTROL TECHNIQUES

## Diagnostic Tool

Diagnostic Tool is a fast and simple tool, which allows users of Control Techniques' drives to quickly solve any error codes that the drive may show. Built within the app are easy to locate wiring diagrams for first time setup and fault finding with links to the relevant comprehensive manuals. The app also has full contact details of the technical support teams around the world to aid you with technical assistance.

## Connect Software

Gain complete control of your drive with Control Techniques' Connect PC Software. The dynamic drive logic diagrams allow the visualization and control of the drive in real time. The parameter browser enables viewing, editing, and saving of parameters as well as importing parameter files. Download Connect: [ctdrives.com/connect](http://ctdrives.com/connect)
